

Vudor Porch Shades

Every Shade Equipped with Vudor Safety Wind Device

Vudor Porch Shades Are Indelibly Stained in Pleasing Shades Olive, Dark Green, Dark Brown, Mottled Olive Green, Dark Brown Alternated with Tan, Dark Brown Alternated with Mottled Olive Green.

The colors harmonize with the color scheme of your house and will withstand the action of the weather. Your Porch Shades retain their newness for many seasons.

Vudor Shades are never painted nor dipped. Painted shades are objectionable, as they make a porch very hot. The painted surface absorbs the heat, instead of repelling it. The stained surface of Vudors does not reflect the sun's rays and keeps the porch shady and cool when outside it is "sizzlingly" hot.

All Vudor Porch Shades are re-enforced at both edges and the wider shades in the center with double warps. This enormously increases their durability.

All Vudor Porch Shades have a full drop of eight feet when in use. Other advertised shades are six inches shorter.

Leslie Aiken, who will be 10 July 4, and Daniel McBayne, Jr., who was 10 May 22, will be transferred to the state school to-night. In sending the boys to Vergennes, Magistrate H. W. Scott placed a good deal of the blame on the parents of the youngsters. A few weeks ago young Aiken's father, M. Lee Aiken, appeared in court with the son and professed to have reached the end of his parental tether in governing the lad. Aiken, likewise the elder Bayne, received the benefits accruing from a sound talk by the judge and the boys were placed on probation. Recently they have committed larcenies in several stores about town, displaying a good bit of ingenuity in getting away with the goods.
